Richard Seiden 1958-2016

Richard Seiden and his family were an integral part of BARC's history and instrumental in helping BARC grow into what it is today. Richard worked at BARC most of his adult life and was a role-model and inspiration to all who knew him. Richard was the embodiment of a true Eagle Scout. He was honest, noble, helpful, compassionate and always wanted to expand his knowledge and experience of the world. Richard also enjoyed a good round of golf and it is with great pride that we name this tournament in honor of him.

About BARC

BARC...Bakersfield ARC is a non-profit organization that has been providing essential job training, employment and support services for adults with Intellectual and Developmental Disabilities and their families since 1949. BARC is the largest Service Provider for adults with Intellectual and Developmental Disabilities in Kern County, providing the most comprehensive support for the intellectually and developmentally disabled and the communities in which they live. Because of your support we are able to continue our mission "To build a stronger community by helping people with Intellectual and Developmental Disabilities achieve individual goals for a better life."
