## Richard Seiden 1958-2016

Richard Seiden and his family were an integral part of BARC's history and instrumental in helping BARC grow into what it is today. Richard worked at BARC most of his adult life and was a role-model and inspiration to all who knew him. Richard was the embodiment of a true Eagle Scout. He was honest, noble, helpful, compassionate and always wanted to expand his knowledge and experience of the world. Richard also enjoyed a good round of golf and it is with great pride that we name this tournament in honor of him.

## About BARC & Boy Scouts

BARC...Bakersfield ARC is a non-profit organization that has been providing essential job training, employment and support services for adults with Intellectual and Developmental Disabilities and their families since 1949. BARC is the largest Service Provider for adults with Intellectual and Developmental Disabilities in Kern County, providing the most comprehensive support for the intellectually and developmentally disabled. Because of your support we are able to continue our mission "To build a stronger community by helping people with Intellectual and Developmental Disabilities achieve individual goals for a better life."

The Southern Sierra Council currently serves about 3,000 young people in Kern, Mono, and Inyo counties instilling in them the values of the Scout Oath and Law, primarily Character, Development, Citizenship Training and Physical Fitness.

The Council operates Camp Kern on Huntington Lake, CA, the premier Boy Scouts Camp in the Western Region of the United States. Nearly 1,500 Scouts and Leaders attend Camp Kern from across the country. Tournament proceeds help to provide camper-ships to needy Scouts in order for them to attend summer camp.
